3550 pkgs of sugar came to hand this morning.

G. C. Williams, Esq., will accept our thanks for full files of California journals.

The S. F. Chronicle of the 7th inst. has another flaming article headed "Hawaiian Slave System."

It is rumored that the government of Norway is soon to send a special Commissioner to these Islands to enquire into the alleged ill-treatment of Norwegians in our plantations.

The Stmr Zealandia arrived yesterday morning from San Francisco, which port she left at 3:10 p. m. 11th inst. and took Honolulu pilot on board at 6:30 on the 18th inst. Time of passage from pilot to pilot 6 days 13 hours 25 minutes.

Messrs. Williams, Dimond & Co's monthly circular; is to hand this mail, from which we quote the following:

SAN FRANCISCO, April 10, 1882.

DEAR SIR:—Our last advices were dated 11th ult., per City of New York, since which time our State has been visited with good rains, and the prospect of a good harvest is very bright at this time.

SUGAR—The local refineries since our last advanced, whites 1c, and yellows, 1c. And again a few days since an advance of 1/4 all round was made.

Hawaiian Grocery grades are in good demand, but only bright handsome sugars are wanted for this trade.

Cubas in New York are 1/2 better, and there has been another advance in Manila.

RICE—The receipt of over 5,000 bags on the 3rd inst. by the various vessels gave a moderate tone to the market, and although a small quantity had been sold prior to those arrivals, at 5 1/2 time, no more could be sold at that figure. Since then a lot of 800 bags, very choice, has been sold from second hands at 5 1/2 less 2 per cent. for cash, to go East.

The best offer from the East is for extra choice only, at 5 1/2 cents. The recent receipts are nearly all of second and third grade, and not of the description which the Eastern market is seeking.

ARRIVALS—April 8th, Am brig W G Irwin, bk Caibarian, Haw bk Kalakaua, Am bktn J A Falkenburg, Am schr W H Meyer; 4th, Am schr Anna.

Vetoed.

On the 4th inst., President Arthur sent to the Senate of the United States his message vetoing the Chinese bill. The vital objection of the President to the bill was the twenty years suspension of immigration, which he construed as virtually prohibitory, and therefore, a violation of the spirit, if not the letter of the negotiations upon which the Treaty with China was based, and as a breach of national faith. On the 5th, the Senate refused by a vote of 29 to 21 to pass the Chinese bill over the veto.

The veto was received with something like an astounding disappointment and surprise in California; but the dejection soon gave way to a very general determination that the fight is not to be ended by the veto, but renewed with vigor in Congress. President Arthur was burned in effigy in several of the interior towns, and mass meetings were held.

Mr. Archibald Forbes, the London Times War Reporter, was a passenger on board the Zealandia, en route to Australia, where he intends delivering lectures.

Quite a number of our Island folks returned home by the steamer yesterday, among whom were Hon. C. R. Bishop, Gen. W. H. Dimond, Hon. J. Mott Smith, Claus Spreckles, Esq., Messrs. G. W. Macfarlane, E. C. Macfarlane, G. C. Williams, Frank Spencer, and others.
